Grounded: Finding God in the World

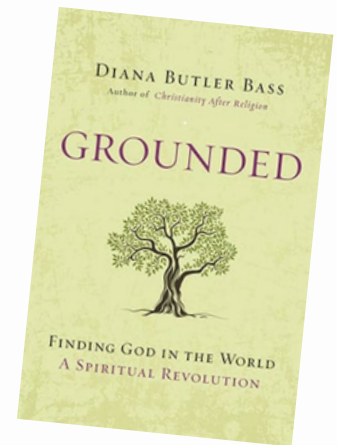

We are excited to announce that in 2024, the Inland West Mission Center will be leading a thought-provoking discussion based on the book "Grounded" by Dianna Butler-Bass.

This book club presents a unique opportunity to build a sense of community across distances and time zones, allowing us to collectively explore and prepare for the meaningful themes of 2024. We warmly invite you to be a part of this enriching journey.

Our discussions will be held on Zoom twice a week at 6:30 pm Pacific Time. Both sessions will cover the same chapter, providing flexibility for your schedule. See the dates below:
