CHRIST'S MISSION, OUR MISSION

Canada West Mission Centre

Effective January 1, 2020, Canada West Mission began charging registration fees for camping and retreats. We recognize this is a significant change and, set out below, is information to assist in planning your attendance at 2020 events.

Frequently Asked Questions

1. Does the fee cover the entire cost of my participation?

Yes, registration fees cover the cost of an individual's participation. Total program costs may still exceed total registration fees which will be received. Additional donations will be gratefully accepted.

2. Are there subsidies available?

Subsides have been automatically provided for youth programming and have been applied to the registration fee. The subsidy is reflected in the advertised registration fee.

3. What if the registration fee causes me financial hardship?

Canada West Mission is encouraging its congregations to provide financial support for those attendees where a registration fee may cause financial hardship. Attendees should contact their congregation directly. Attendees who are not affiliated with a congregation should contact CWM for further direction.

4. Can I still make a donation?

We continue to rely on your generous donations to assist with the costs of CWM programming. A charitable receipt for income tax purposes will be issued for all donations.

Donations can be made in person at CWM events, through your local congregation, to CWM directly or through Canada Helps (links available on CWM website and Reggie). Income tax receipts will not be issued for registration fees.

5. How do I pay my registration fee?

Registration and payment for CWM events are managed through Reggie (www.cwm.events). Attendees can securely make payment at the time of registration.
