

Noronto Reunion 2018

Noronto Reunion 2018

August 11 -18

***Reunion* — A legacy from our church founders. An experience of wider church community, transformation, and renewal, built into the very fabric of our community's life.**

Are you or your congregation feeling stuck? Feeling alone? Ready to move forward?
Is your potential just sitting there waiting to be released, but you need inspiration?
Do you need someone to listen to what you need? And maybe to help you get it?
Are your talents and possibilities needing some consideration?
Do you yearn for face to face conversation? Maybe a hug?
Do you need to take action? To build? To serve?
Do you need to be exposed to new thoughts and ideas? To learn?
Are you looking for a mentor?
Are you looking for someone to mentor?
Are you missing the spiritual part of the balance you need in your life?
Do you have something to say and need a safe place to say it?
Do you need to feel the power of being in natural surroundings?
Do you want to give the children in your life the legacy of community?
Do you need to be surrounded by the Spirit found in Community of Christ gatherings?
