

MISSION POSSIBLE !

The challenges and opportunities are momentous. Will you remain hesitant in the shadows of your fears, insecurities, and competing loyalties? Or will you move forward in the light of your divinely instilled call and vision?

*The mission of Jesus Christ is what matters most for the journey ahead.
(D & C 164:9e-f)*

Each of us has been called to a great mission for and with God. We have been trusted with a sacred task: the mission of Jesus Christ. At the very time when some of our congregations appear to be growing weary, we have been asked to move out in faith that there is a new day before us. We are invited to dream great dreams for God, and to recognize that our dreams are divinely inspired. If we are called and sent on such a mission, we can trust that, with God's blessing, it is possible to succeed. It is highly appropriate, therefore, that the theme of the 2010 conference is

MISSION POSSIBLE !

In 2009, conference attendees saw a presentation entitled **2020 Vision**. That PowerPoint summarized our current reality and presented five challenging goals for the decade ahead. The response to that presentation was overwhelmingly supportive.

2020 VISION

The five goals presented are as follows.

- ◆ Young Adult Leader Empowerment
- ◆ Plant 5 new Congregations
- ◆ Every Congregation in relationship to the CPI Program
- ◆ Healthy Congregation Model effectively deployed in Every Congregation
- ◆ Effective Peace Ministries

Since that time, the mission centre staff has been hard at work as we have tried to determined how to accomplish what needs to be done. There is much to report.

At the 2010 conference you can expect the following:

- ◆ An update on progress towards achieving the five goals.
- ◆ an opportunity to approve the 2011 Budget for Mission
- ◆ Ministry by our new Apostle, Susan Skoor
- ◆ Lively singing as we share the joyous gospel message together
- ◆ Testimonies and ordination of nine new ordinands to senior Priesthood ministry

Our Mission IS Possible. At our fall conference, you will see the progress that is being made. See you there!
