

## Our Guest Ministry

Kristin Phillips Judd serves the church in the role of Seventy and Field Missionary Coordinator for the North Central US/Canada Field. Kris was set apart in June 2005 to serve as president of quorum 2 of the Seventy and as a member of the Council of Presidents of Seventy. She is active in her home congregation, Norton Heights in Kansas City, Missouri, especially with ministry to children, youth and hard-living individuals.

Prior to employment as field missionary coordinator, Kris spent seven years in full-time volunteer work for her congregation, following a career as a school psychologist in Kansas and Iowa.

Kris was born in Des Moines, Iowa and went on to study psychology at Graceland University in Lamoni, Iowa. After graduating, she went on to obtain a specialist degree in school psychology from Iowa State University.

She is married to Peter Judd and enjoys spending time with her family, including grandchildren Molly, Gisel and Yvette.
