Retirees Retreat

October 4 - 8, 2010

“We Share a Sacred Story”

Camp Noronto
Pinewood Road, Monetville

“Generously share the invitation, ministries, and sacraments through which people can encounter the Living Christ who heals and reconciles through redemptive relationships in sacred community. The restoring of persons to healthy or righteous relationships with God, others, themselves, and the earth is at the heart of the purpose of your journey as a people of faith.”

Doctrine & Covenants 163: 2b

Please see flyer for details and registration

You are invited to come and share your gifts, talents, ministry as we create together this spiritual time in this sacred space

Come for rich discussion, in-depth exploration, a 'reunion like' experience without ruff ground and a rigorous schedule...

We've come to explore Christ's Peace in-depth, to share our passion for His work and where we are going these days.

Share your interests, hobbies, and causes...we'll be happy to have space for you to set up a 'show and share' area.

Don't want to stand in line...well you don't have to...from the lodge to the dining room to the meeting hall - all on one floor. The pace will be relaxed...leave your alarm clock at home!

Remember, its fall and the trees will be absolutely beautiful so bring your lawn chair ... you might want to sit out on the veranda and enjoy the views!!

Sweaters or lap rugs will make visiting on the veranda more comfortable.

Smooth floors, comfortable beds (bring your own bedding, towels, etc), clean, modern accessible bathrooms, all contribute to an easy few days with plenty of time and space for visiting together.

Come, share your experiences, your ministry. What God's doing in our world?...He's working through soup kitchens, habitat, reunions/camps, the various types of church services, Encounter...and much, much more. Come, share what you're doing in our world in His service. Come, you are welcome and needed.

Car pooling is a nice way to travel!!

Looking forward to seeing you!
