Share the Light

~ A Women's Retreat~
April 20-22, 2012

Community of Christ

Sponsored by CEM, Guelph ON

WHAT TO EXPECT

The light of God's love burns within each one of us. This light is meant to be shared, not hidden. Will you share it? Join us for a weekend of exploring the ways we can share our light, both near and far. Expect everything you liked about last year, but better: songs and silliness, great food and fellowship, relaxation and reminiscing. We will also be fundraising for international development agency World Accord through a book sale, live and silent auctions. This year we'll be welcoming a member of World Accord to join us, who will share insights into how we can reach out to others beyond the borders of our communities.
