

## **Resolution for Canada West Mission Conference, 2010**

**Whereas**, The 2010 World Conference approved the document now known as Doctrine and Covenants 164 as scripture for the church; and

**Whereas**, the First Presidency has thereby indicated that most resolutions dealing with issues of sexual orientation will be considered in national or jurisdictional conferences, and

**Whereas**, there will be a Canadian Conference held in 2012 prior to the next World Conference; and

**Whereas**, Canada East Mission has already created material to assist congregations in exploring issues of sexual orientation; therefore, be it

**Resolved**, that in preparation for the 2012 Canadian Conference, Canada West Mission gather available resources regarding the church and sexual orientation, and actively promote a program of dialogue based on these materials, throughout the Mission, to be completed before the 2011 Mission Conference.
