

Doctrine and Covenants
Section 163

Paragraph # 11

11 a. God is calling for a prophetic community to emerge, drawn from the nations of the world, that is characterized by uncommon devotion to the compassion and peace of God revealed in Jesus Christ. Through divine grace and wisdom, this faith community has been given abundant gifts, resources, and opportunities to equip it to become such a people. Chief among these is the power of community in Christ expressed locally in distinctive fashions while upholding a unity of vision, foundational beliefs, and mission throughout the world.

b. There are many issues that could easily consume the time and energy of the church. However, the challenge before a prophetic people is to discern and pursue what matters most for the journey ahead.

As a congregation what steps do we need to take to become a prophetic community?
