“**Toward the Peaceful One**” is the theme of our **Taste of Samish online camp, July 29-August 1**. This Thursday-Sunday experience hopes to offer not just a taste of the campground that we love, but also of the in-person events we love to do there: Reunion, youth camps, Kimtah, and Nurturing Spirit.

The full days begin with meditation, two with Vickie MacArthur and one with dancing! We then have an intergenerational worship gathering. Janné Grover will offer a discussion class on Thursday and will offer preaching ministry on Thursday evening and Sunday morning at our communion service. Our elementary and middle-school aged kids will have fun with our games and fellowship during our early afternoon canteens with Laura Harrop and Kat Goheen. We have another class offering on Friday morning with Rod Downing and the North American Climate Justice Team, and classes on the enneagram with Lanette Vawter and Kat Goheen on Thursday and Saturday afternoons. Vickie MacArthur will lead us through a sabbath experience of yoga nidra on Friday afternoon. Reunion wouldn't be the same without our community campfire, which Dan Beer will stick-handle on Friday, and we're pleased to announce that Alexis Beer will host our Talent Show on Saturday night. Both of them would appreciate your recorded submissions! Our teens will share with Sean Langdon, Alexis Beer, and Shannon McAdam at our Teen Late Nights.

Our schedule is spacious, yet generous, and hopefully provides food for thought and for soul. Please make room in your calendar to join us for our taste of Samish! [Click here to register!](#)

Your submissions for worship music, talent show items, or campfire songs & skits are most welcome! Please send them to [chrisinlangley@gmail.com](mailto:chrisinlangley@gmail.com) by July 15.

Please take pictures of your involvement in camp that do not involve little zoom boxes! We'd love to share them at the end.

There is no registration fee for our camp, but please consider making donations to the Samish Island Development Fund, World Accord, or Community of Christ-Canada West Mission Centre.

Kat Goheen is the director of our Reunion this year. If you have questions or suggestions, please contact her: [jkgoheen@shaw.ca](mailto:jkgoheen@shaw.ca)
