## C-1 Credential Report

To the World Conference:

The Credentials Committee has received the appropriate administrative officers' lists of people who were certified to serve as elected delegates or leadership in the World Conference under terms established in Article IV of the bylaws. Delegates were allocated to each mission center under the terms of Article IV, and the list of World Church Officers who are members of the Conference was received.

In addition, some lists contain the names of delegates who have been appointed to represent jurisdictions that do not hold conferences in which delegates can be elected. These delegates were selected by mission center councils under the terms of the bylaws, or in rare circumstances, by the mission center president under the direction of the field apostle.

As in the past, the First Presidency has provided Graceland University representation. Therefore, the Graceland University Congregation has been allocated nine delegates. In addition, three delegates have been allocated to the First People/All Nations Community of Christ Congregation, and two delegates have been allocated to Military Chaplains. If the standing rule regarding proportional representation is approved, the weighting ratio for each mission center will be based on the authorized number of delegates listed in the report.

The committee recommends the following people be seated and recognized as proper participants in the Conference, with voice and vote in all deliberations.

—Christopher Shaw, *chair*

# Community of Christ Women

Stop by the Historic Sites booth in the Mission Expo for two button giveaways commemorating these important women in Community of Christ history!

**Emma Hale Smith Bidamon** compiled the first four hymnals in Community of Christ, founded and led the first women's organization in the church, protected significant church documents for history's sake, and earned a reputation among the children of Nauvoo, Illinois, USA for always having a well-stocked cookie jar. She was the wife of founding prophet-president Joseph Smith Jr. and mother of Joseph Smith III, Community of Christ's second prophet-president.

**Pauline Frisby** was a talented singer who shared her musical gifts from the Broadway stage and Carnegie Hall to the Auditorium rostrum and regional church reunions. She was an outspoken advocate during the Civil Rights Movement both inside and outside of the church, and the first woman of color to serve on the World Church Women's Commission.

# Evangelist Ministry

We express our thanks for this group of evangelists who—as minister of blessing—are prayerfully upholding our legislative sessions and the work of the Conference during our week together.

## Tuesday

### **Exploring Community of Christ Basic Beliefs: A Commentary**

*Tony Chvala-Smith and Peter Judd  
Temple, Continents Room*

Not since the publication of *Exploring the Faith* (1970) and Peter Judd and Bruce Lindgren's *Introduction to the Saints Church* (1976) has the church had a comprehensive analysis of its basic beliefs. This Lunch and Learn session will introduce you to *Exploring Community of Christ Basic Beliefs: A Commentary*, which stands in the tradition of these earlier works. At least 15 years in the making, this commentary offers a sustained interaction with Community of Christ's current statement of beliefs, showing the scriptural and historical foundation of the church's faith, and its relevance to the 21st century world. Come spend lunchtime with author Tony Chvala-Smith and editor Peter Judd, in a conversation about this new book.

### **Faith in Action: Our Call to Work for Just Peace in Palestine and Israel**

*Churches for Middle East Peace and Peace and Justice Team  
Temple, Lecture Hall*

In a time of violence and pain following the devastation of the 7 October 2023 attacks in Israel and subsequent bombardment of Gaza, and escalations in the West Bank, this session provides attendees the opportunity to discuss what it means to answer our faithful call to advocate for peace for Israelis, Palestinians, and all people in the Middle East. Understanding geopolitics, social considerations, and other aspects of the conflict demands that people of faith look beyond the headlines into the daily realities of people living on the ground. What we learn working for peace in the Middle East can be applied to conflicts in all areas of our lives, including conflicts with our families, friends, neighbors, and communities. Join us to learn what it means for us as individuals and the global church to pursue peace while also advocating

for justice in Israel/Palestine and beyond. This session will be led by Destiny Magnett, the Programs and Outreach Manager at Churches for Middle East Peace (CMEP). Steve Kellogg is the Community of Christ board member for CMEP and will chair the session. Destiny and Steve will be joined by several Community of Christ members who were part of a peace delegation in Israel/Palestine last November.

### **Meet the Children's Ministry Team**

*Temple, Theater 1*

The newly created Children's Ministry Team has a vision for how Community of Christ can embrace and serve our youngest disciples. Learn about upcoming projects for boosting children's faith formation in the home, congregations, camping, and online. Bring your own ideas to share!

### **The Courage of Our Convictions**

*Justice and Peace Action Team of Greater Kansas City  
Temple, Theater 2*

Participants will hear accounts from civil society activists who are making a difference in the public square and will also receive practical help for their own civic engagement. The session will be led by the Greater Kansas City Justice and Peace Action Team of Central and Midlands Mission Centers (JPAT), in response to the prophetic call to "courageously challenge cultural, political, and religious trends that are contrary to the reconciling and restoring purposes of God. Pursue peace." (Doctrine and Covenants 163:3b).

### **USA Campground Board Meet & Greet**

*USA Field Support Minister Team  
Temple, Peacemakers Room*

Campground Board members in the USA and those interested in possibly serving on a campground board are invited to attend this session to meet board members from other USA campgrounds and share contact information and ideas. This will be a time to meet each other and learn from one another while enjoying light refreshments.

## Wednesday

### Exploring New Resources for Worship and Gathering

*Formation Ministries Team, translation available  
Temple, Continents Room*

Join the Formation Ministries team for a time to explore current and new resources, including a new digital platform for easy access to all lectionary materials (worship, sermon helps, lessons for all ages, and seasonal resource collections).

### Lessons in Nonviolence: Reflecting on World War II and Our Call to Peace

*Western Europe Mission Centre & Guests  
Temple, Lecture Hall*

Join us for a powerful session blending history, theology, and practical application as we reflect on the 80th anniversary of World War II. We will honor the lessons of courage, resistance, and reconciliation from this pivotal era, explore Community of Christ's prophetic journey toward nonviolence, and connect these themes to the Enduring Principles that guide us as a people of peace. Through inspiring presentations, stories of nonviolent resistance, and reflections on reconciliation and justice, this session will equip participants with practical steps to live nonviolence in their personal lives and communities.

Formed in 1984, Churches for Middle East Peace (CMEP) is a coalition of more than 30 national Church denominations and organizations working to encourage U.S. policies that actively promote just, lasting, and comprehensive resolutions to conflicts in the Middle East. CMEP helps church organizations, leaders, and individuals nationwide advocate in a knowledgeable, timely, holistic, and effective way to express their concerns about justice and peace for all people in the Middle East.

### Let All Life Flourish: Climate Action Is a Faith Thing!

*North American Climate Justice Team  
Temple, Theater 1*

The Earth was lovingly created as an environment for life to flourish. (Doctrine and Covenants 163: 4b) There is no other singular act that will have a greater

impact on health, saving lives, slowing the loss of nature, alleviating suffering, enhancing equality, and promoting economic justice...as working to eliminate the use of fossil fuels.

The negative impacts of fossil fuel addiction are real! They require immediate attention and action. Ask anyone with asthma!

Climate action is prophetic calling!

Climate action belongs in church!

Climate action IS a faith thing!

### Creating Connection: Tools & Resources for Today's Spiritual Landscape

*Debra Donohue  
Temple, Theater 2*

Creating Connection Canada has spent the past seven years partnering with congregations and community groups to cultivate "church-like" communities and meaningful experiences for people at all stages of their spiritual journey. In today's shifting spiritual landscape, many congregations are seeking fresh approaches to thrive and remain relevant.

Join us as we share inspiring success stories about building connections within your community, explore the financial benefits of innovative approaches, and guide you through the rich resources available on our website.

This session is hosted by Debra Donohue and Troy Roach, who are passionate about helping communities flourish in this new era of spirituality.

### CIMM Learning Opportunities

## Thursday

### **Creative Abundance and Funding Mission**

*Presiding Bishopric*

*Temple, Continents Room*

The Presiding Bishopric will share five strategic priorities for the future. Come hear how these priorities have been inspired by a focus on creative abundance and an unfolding vision to create a more just and peaceful world.

### **Two New Books on Peacemaking: Meet the Authors**

*Temple, Lecture Hall*

Book: *Preventing Crime* by Rick Sarre

- Find out about restorative justice.
- Discover short pointers on the topic for policymakers, parliamentarians, and students.
- It is a meta-analysis that considers the recent research on what works in crime prevention.
- It moves away from the standard deterrence approach to prevention namely police, courts, and corrections.

Book: *Living the Sermon on the Mount in Difficult Times* by Andrew Bolton

Living the Sermon on the Mount is part of what it means to follow Jesus, the peaceful One in every age. Jesus not only taught it, but with realism lived it courageously and in the context of the brutal Roman empire.

Today just war traditionists and old Christian realists are struggling to tackle effectively the BIG human security questions of the twenty-first century: climate change, poverty, mass migration, racism, populism, and nuclear weapons. Learning from the past, can we begin to develop a new, robust, nonviolent Christian realism, which takes seriously the Sermon on the Mount, and finds in it a way of salvation for our own difficult, poly-crisis times?

### **Earth Stewardship an Expanded Agenda**

*Earth Stewardship Team*

*Temple, Theater 1*

Join team members for discussion on the following topics:

- Soil Health and Food
- Clean Water
- Ocean Health, Weather, and Deforestation

### **We Are One, We Are Many**

*Diversity and Inclusion Team*

*Temple, Theater 2*

Last World Conference the Diversity and Inclusion Team created a survey of members experiences in the church related to inclusion. The survey was also made available to church members during the last interconference period. This session provides the opportunity for attendees to share their personal experiences related to selected survey questions.

2. If you see something suspicious happening, please tell a staff member, event security person, or police officer.
3. Take note of the exits on your left and right, and the doors behind you. Determine which exit is closest to you.

If we need to evacuate the building *and there is no immediate threat*, you will gather your personal belongings and leave the building through the exit door closest to you.

*If there is an immediate threat*, leave behind your personal belongings and leave the building by the exit door closest to you.

Those in the balcony should exit down the ramps and through the nearest exterior door.

When we evacuate as a group, you will be asked to move to the parking lots or the grass area between the Auditorium and Stone Church.

Please follow the directions of our staff and help others as you go.

Move at a slow, steady pace. Be mindful that some people move slower than others. Be aware of anyone who stumbles or falls. Help them up.

Do not return to the building until you are notified it is safe.

Monitor the online delegate information, social media, and other places where announcements may be made.

### **Fire Emergency**

In the event of a fire alarm during the Conference, evacuate the buildings. Please help others to evacuate as quickly and safely as possible. Once outside, keep moving away from the building, and encourage others to keep moving.

### **Severe Weather**

If there is severe weather in the greater Kansas City area during Conference, we will announce that we are sheltering for a severe storm.

You will exit by the nearest door and take the ramps to the lower Auditorium Assembly Room and the tunnel to the Temple, as needed.

If you are in the tunnel, fill in the wall across from the large pipes and leave a small walkway next to the pipes.

Again, please follow the directions of our staff and help others as you go.

We will announce when it is safe to return to your seats.

### **Building Violence**

No threats have been made to cause us concern that this will happen. Nevertheless, we want to make sure everyone is prepared.

If you hear gunfire or someone calls out “active shooter,” remember three things: **Get out! Lock out! Take action!** In all cases, follow instructions of police officers.

1. **Get out!** If you can safely get out, leave your belongings and get out of the building. Encourage and help others to exit also. Call 911 when you’re safe.
2. **Lock out!** If it is not safe to get out, then leave your belongings and hide as far from the

sounds of gunfire as you can. Lock or block doors behind you. Keep quiet if the shooter is near. If possible, call 911. If you can’t talk, leave your line open.

3. **Take action!** If you can’t get out or lock out the shooter, call 911 and do everything you can to block yourself from the shooter or to distract the shooter.

If you want more information, search online “active shooter procedures.”

If you see something suspicious, please tell a staff member, event security person, or police officer.
