

Canoe Camp

By John Morgan and Alfredo Zelaya, Noronto Canoe Camp Directors

What began nearly 25 years ago as a simple young adult canoe trip has now grown into a beloved tradition at Noronto Canoe Camp. This year, we welcomed 18 participants eager to brave the wilderness and enjoy a weekend of adventure, camaraderie, and fellowship.

Greeted by a stunning summer backdrop, our group embarked on a journey through some of the most beautiful natural settings, forming connections with each other and with the wilderness around us. The peaceful waters and serene surroundings created the perfect atmosphere for reflection and shared experiences.

Noronto Canoe Camp continues to be a cornerstone event for all those looking to step away from the busyness of life and immerse themselves in nature. We are already looking forward to next year's camp, scheduled for September 12-14, 2025. Be sure to mark it on your calendars—you won't want to miss it!

"Paul's example would suggest that the very best we can do is to engage well in the world's conversation on multiple levels and in millions of venues. Our task is to simply show up to the conversation, with humility and good humour, and to trust God's Spirit to bring forth the fruit from the interplay." Beth Ann Estock, Paul Nixon, Weird Church
