

Loaves & Fishes Family Camp 2024

We are thrilled to report that Loaves and Fishes Family Camp held June 29 – July 5 was a resounding success, with **208 people** registered, including **81 youth under the age of 18**. The camp atmosphere was vibrant, filled with laughter, learning, and meaningful connections as God's spirit filled the grounds. We were blessed to have **Josh Bennett** from India as our Guest Minister. His inspiring messages and engaging interactions enriched our spiritual journey throughout the week, making for a truly transformative experience.

We were also honored to have **Poul Wilson** from Kansas City join us to lead our Holy Grounds experience. His sessions on sharing and reflection provided a profound space for participants to connect with each other and their faith.

Our youth programming was exceptional, catering to kids from infants to 11-year-olds. We had **35 Junior High participants** (ages 11-13), a remarkable turnout that kept our leaders actively engaged. The Junior High youth paired up with **12 Senior High youth**, fostering teamwork through games and community bonding activities. Our dedicated leaders ensured that every participant felt included and supported, creating a fun and nurturing environment.

Afternoons were filled with meaningful **chats under the trees**, where friendships deepened and community building flourished. These moments of connection were vital in creating a welcoming atmosphere where everyone felt at home.

This year marked Zionsville's **60th Anniversary**, a milestone we celebrated in style! The festivities included **fireworks, slideshows, memorabilia**, and **Zionsville swag**, culminating in the creation of a time capsule. A heartfelt thank you to the planning team for organizing such memorable events!

The week was filled with a variety of activities:

- **Swimming** and fun by the water
- **Canteen** delicious snacks to enjoy
- **Electives** that catered to diverse interests
- **Campfires** where stories and songs were shared
- **Worship services** that brought everyone together in faith

Loaves and Fishes Family Camp 2024 provided a space for good food, good friends, and memories that will last a lifetime. Building community is an essential part of our camp, and we hope to continue this tradition for many more years to come. Thank you to everyone who contributed to this incredible week. We look forward to seeing you all next year for more fun and fellowship!
