

# Community of Christ

CHRIST'S MISSION, OUR MISSION

## **A NEW DAY CALLS FOR NEW MEASURES**

Without a doubt we can say that over the last several months our world has been turned upside down. All that seemed so simple and innocent, is now different, difficult, and even suspect.

The decision to cancel the in-person event this year is necessary to be extra careful with your health and safety. Mission conference is the extreme opposite of the physical distancing we are experiencing right now. Protecting the well being of our membership must take priority, which in turn protects everyone else out in the public.

We know that with detailed 'intention', everything we do is meant to build community, affirm our identity, and strengthen our spiritual formation. The conference experience lifts this up and carries us into the journey ahead while helping to shed burdens of the past. Lessons, values, and relationships developed, remain with us for years to come. It is a place of hope and a place of connection with each other and with God.

We are excited to see that experience lived out in a whole new way this year.

### **Our Plan Moving Forward**

We have not given up! Its time to step out of the box and find God in new places. Its time for us to be imaginative, to find creative ways to connect and grow. And while screen time is not our thing, we hope you will join us online for an adapted event like we have never experienced before. Anticipate new and creative ways to engage in the "business" of our Mission Centre.

***We will laugh and play and sing together  
We will be a people creating sacred community***

We look forward to one day in the future when we can gather face-to-face once again. That is the optimism that we hold onto right now. In the meantime, thank you for your compassionate understanding, loving support, and kind appreciation of what we do, how we do it, and who we are.

Let's make the best of all we have right now with the finest of all we are together.

**Expect inspiring experiences virtually, this year and beyond.**
